Welcome

A warm welcome for all our clients and prospective clients. As a turnkey supplier for the baking industry, it is our mission to provide our customers a total solution. From dough preparation to baking and / or freezing, these total solutions are capable of producing superb consumer products.

In our booth we will display a Midi Waffle & Funcake concept for flexibility and perfect design. This Midi Waffle & Funcake production line underlines our strategy to produce excellent products for market leaders in the Industry.

One of our other market segments is pizza equipment. As a turnkey supplier, we are able to produce complete production lines. We will show you the latest model with highest hygiene level of a cheese/vegetable applicator and a depositor for high speed, border free, pizza topping.

See, Taste, Like and Enjoy!

We would like to invite you to visit our experience center, where we demonstrate new techniques and opportunities for cupcakes, funcakes, and waffles. Showing the result of “out of the box thinking” in relation with shapes, tastes and the way it is produced and prepared. Our Food technologists will present you new tasteful and colorful ideas, which you can taste at the spot. They can also answer any of your questions and help you with some samples to take along.

The production focus of Tromp Group:

- Sheeted Bread Lines
- Waffle & Funcake Lines
- Pastry Lines
- Pizza Lines
- Cake & Pie Lines

On the first floor we will exhibit scale models from our pizza production line and our cake & pie production line (the biggest in the world). We will show a selection of complete fabricated consumer products.

Hospitality and feel welcome

Hospitality is the key to our Interpack participation. We welcome you to the booth for a beverage or snack. Our Barista will present coffee, tea and other drinks. Try a superb coffee together with a real Dutch Syrup Waffle and enjoy. You are also welcome during lunch time when we will serve a selection of Pizza snacks.

Sales team: at your service!

Our complete Sales Team is available at Interpack. All of our specialists are there to give you the latest updates and information. We would like to invite you to visit our booth 1D23.

On the first floor of the booth we will have a special meeting area to discuss in detail your thoughts and questions. Feel free to set-up a meeting with our teammates. You are important to us and we will reserve the necessary time needed to inform you.

The best way to do this is to make an appointment in advance. If you would like to set up an appointment with one of the knowledgeable teammates please let us know. We are happy to make a reservation within our planning list. Contact our sales specialist directly or inform Erik Smink from the Marketing & Communications department. He will take care of your request. Mail: erik@trompgroup.nl

Updates

We will give you the latest updates about the show at the end of April.

The Interpack teammates are looking forward to welcome you at booth 1D23
